## IN THE SPOTLIGHT

### COLOUR ME

Jewellery designer **Tayma** Page Allies brings a kaleidoscope of colours to Christmas with her sumptuous jewellery creations. Whether it is the 18K white gold cocktail rings with diamonds and a choice of round, emerald-cut or triangular aquamarine, or the beautifully hand-crafted earrings of green indicolite and icy white diamonds, each of these simple and bold pieces is designed for the woman who is assured in her tastes and confidently displays her desires.
